

Windmill Primary School

Year 1 Trip to Sea Life Centre

Dear Parents/Carers,

As you know, our topic this term is Life on the Ocean Waves. We have already got our learning off to a great start by going on an adventure under the waves to explore the layers of the ocean and following in the footsteps of Charles Darwin as we find out about the marvellous and amazing creatures in our world. The children have come up with so many questions that they would like answers to about our oceans and seas and we will be working together to find out as much as we can.

To help us complete the children's learning we would like to visit the Sea Life Centre in Birmingham to meet the wonders of the ocean. We will have the chance to see:

- Over 2,000 creatures to learn about, including gentoo penguins, a shiver of sharks, a giant green sea turtle and more!
- Sea life in detail as we get closer than ever before in the UK's only 360° Ocean Tunnel
- Feeding demonstrations and talks throughout the day
- Marine habitats ranging from rivers and lakes to deep oceans
- The chance to touch a starfish at our interactive rockpool

This will be a fabulous finale to their term of learning where they can put their new found knowledge into action.

This trip will be on **Wednesday 18th October 2017** and will cost **£18** per child, which includes the coach and entrance fee, this can be paid in instalments if you prefer (speak to the office). Please be aware that if we do not receive enough money then the trip will not be able to go ahead.

The children will need a packed lunch on the day (no chocolate or fizzy drinks please).

Please complete the slip below to indicate whether you would like your child to join us.

Kind regards

Miss King and Miss Catling

Year 1 Trip to Sealife Centre Birmingham

I give permission for _____ (child's name) to go on the Sea Life Trip on Wed 18th Oct 2017.

I enclose the full cost of £18
