

Re: Invitation to 'induction' meetings

Dear Parents/Carers,

We would like to take this opportunity to welcome you to Windmill Primary School. As your child embarks on their learning journey here at Windmill, we would like to invite you to some meetings listed below. The purpose of these meetings is to give you as the parent the opportunity to understand how we teach your children, which in turn will enable you to support your child at home. There will also be opportunities for you to ask questions and meet staff who specialise in the different areas.

We hope you can make it!

Wednesday 27th September 6:30pm: Interactive Learning Diary. This meeting is about how we record your child's learning and what you can do to contribute towards it at home. This is a vital part of their development in the Early Years and parental engagement is encouraged.

Wednesday 11th October 6.00pm: Read Write Inc, Talk for Writing and Maths. This meeting will give you an insight in how we teach phonics at school, leading on to how your child will learn to read. Talk for Writing is a vital element of developing your child's speaking and listening skills which will progress into their writing. Understanding Early Maths concepts is crucial to a child having a secure understanding of how the number system works to enable children to become confident mathematicians.

Please come along to find out more!

Kind regards

Mrs D Frost
Reception Phase Leader

Miss E Loasby
Reception Teacher
