## ♪ "It's another Harvest Festival..." ♪

Dear Parents/Carers,

It's that time of the year again when we traditionally celebrate the bringing in of the harvest and think of those less fortunate than ourselves. Last year's response was (to use Mr Coleman's favourite phrase...) awesome!

As a school we collected more tins, packets, jars and boxes of food than I think I have ever seen before in any of the schools I've worked in. These were displayed in the reception area and formed the focal point of the celebration assembly before they were loaded into my car (seats down!!) and delivered to the Raunds Food Bank Project.

We are, therefore, asking once again for your donations to this year's Harvest Festival (16<sup>th</sup> October 2017). If you can spare any non-perishable foodstuffs, tins, jars, etc. please send them in with your child(ren) were they will be very gratefully received before being collected and eventually redistributed to those less fortunate.

Once again, thank you for the fantastic response last year, I know that you'll come up trumps again this year...It's a Windmill thing ☺.

Yours sincerely

Simon Bateson  
Assistant Principal/Lead for Inclusion and Provision
