

It's cool to be kind at our school!

Our values make us a fantastic school. We are amazing at showing them all of the time which means that bullying is very rare at our school.

However, if you ever come across bullying you need to act on it so that our school continues to be the best!

Bullying can be emotional, physical, verbal or happen online. Bullying happens **Several Times On Purpose** and needs to be **STOPped**. If you feel that you are being bullied or have seen a bullying incident then please do the following...
