

Windmill Primary School

Friday 9th March 2018

Goodbye, Good Luck and Welcome!

Dear Parents/Carers,

I am writing to share with you some staffing news here at Windmill.

Firstly, a huge congratulations to Miss Gascoine who has secured herself a new role as a teacher at Trinity CE Primary School, Aldwinckle. Sadly for us, this means that Miss Gascoine will be leaving Windmill and Horrell Class at Easter. Thank you Miss Gascoine for all that you have done for our children; you are a wonderful teacher and will be greatly missed.

As I have previously shared with you, we are all very excited for Mrs Tracey and her husband as they are expecting a baby. Mrs Tracey will be working up until May half term (we hope!) before she goes off to enjoy a life of cuddles, nappies etc...! We couldn't be any more delighted for Mrs Tracey – good luck!

As a result, I am thrilled to welcome one new and one not so new member of teaching staff to Windmill. Miss Kerrie Miller will be joining us after Easter to teach Horrell Class. Miss Miller is joining us from Warwick Academy in Wellingborough. Welcome to Windmill! And from summer half term, Mrs Rachel Travers will be returning 'home' to teach Mrs Tracey's class. Mrs Travers worked at Windmill several years ago and is re-joining us from Greenfields Primary School in Kettering. Welcome back!

As ever, thanks for your continued support.

Regards,

Matt Coleman
Principal
