

WINDMILL WORDS

Date: 24th June 2022

Edition: number 60

Headteacher News

This week has been another busy week here at Windmill. The children in Years 1, 3, 4 and 5 have been completing their end of year assessments and I have to say I could not be prouder of the resilience, respect and responsibility on display. Year 6 have been busy preparing for their end of year performance – which looks set to be a good one! The Year 6 Wind in the Willows Group have performed at Stanwick Lakes and have been phenomenal.

Windmill is an incredible place and our children are fantastic ambassadors of our school values, in school and beyond. We look forward to sports day, which is coming soon, and having you all back on site for such a great event. Thanks for your continued support and have a lovely weekend.

Kerry Mills

Breakfast Club

In the mornings this week we have been learning to sew on the sewing machine. We have made little drawstring bags to put our pebbles in to play noughts and crosses with. If anyone has any spare material, they would like to donate we would be grateful. Thank you

First Aid

Unfortunately from Monday 27th June, the school will be unable to use Medical Tracker. Therefore should your child have an accident in school requiring first aid a form will be given to you at the end of the day unless it is urgent and we will contact you. Alongside this form, all children with a head bump will be given a wrist band. If your child has permission to walk home on their own, a member of the school team will attempt to make contact with you to let you know that they required first aid.

As part of our process in supporting children and families who use inhalers in school, a form will be given to you at the end of the day if your child has required the use of their inhaler so you have a record. If your child has permission to walk home on their own, a member of the school team will attempt to make contact with you to let you know of that they required the use of their inhaler in school.

Year 6

Year 6 started this term with a bang as we headed off on our residential to the Kingswood Centre, Dearne Valley site. No sooner did we return but we got our heads straight back into our writing and dusted off our acting voices to begin rehearsals for our end of term show – Year 6 parents,

look out for further information to follow as soon as possible.

Once again, our Year 6s made us incredibly proud of their kindness, resilience and amazing courage as they tackled all the challenges offered at Dearne Valley.

We often found ourselves out of our comfort zone, but managed to overcome our fears through the support and

encouragement of our friends. Well done everyone, you can be very proud of yourselves.

Armed Forces Day

Today, 4 of our children accompanied vice principal Mrs Chapman down to the Town Hall in Raunds to commemorate Armed Forces Day with a flag raising and remembrance ceremony.
